1978 Yearbook

MERLIN

THE BEST YEAR EVER!

Merlin Nineteen Seventy-Eight

Burlington Township High School, New Jersey

Dedication

In welcoming our new superintendent to BTHS, this year's 1978 Merlin is dedicated to Dr. Walter E. Haworth.

The students of Township High would like to make Dr. Haworth's stay pleasant and productive.

We sincerely hope that our superintendent will enjoy working in this district.

Thanks to Mr. Donald Kozuck and Ms. Lynn Wise, the class of 1978 has had four great and prosperous years. They have helped and guided us through hard times and good times.

In leaving BTHS, our appreciation to these two fantastic people will linger on for the rest of our lives.

We'd just like to say THANKS!

The Class Of 1978 Seniors

Class Of 1978

Mr. Donald Kozuck-advisor, Valerie Edmonds-Vice President, Ms. Lynne Wise-advisor, Debbie Shoppas-Secretary, Alan Cognigni-President, Carol Carter-Treasurer.

As always the Senior Class of 1978 proved that they are winners in more ways than one.

Although the Homecoming float, with a theme of "A Falcon in Paris", did not win any awards, the Senior Class once again produced a commendable result.

Looking forward to graduation and future careers, the Class of "78" became the first class to make a dream trip to Florida come true. In order to cut down the cost of the trip, the Seniors sold candy for their own profit.

The memories of an unforgetable trip and senior year will long be remembered. As the Class of 1978 forges onto diverse paths after graduation, sincere wishes are extended to each graduate.

Class Of 1979

Mr. Saunders-advisor, Caryl Burset-treasurer, Mrs. Horner-advisor, Cindy Miller-secretary, Vince DiTanna-president, Sandi Raber-vice-president.

The junior class started the year off in style by being the winners of spirit week. They won the hall competition for the third year in a row and also won float competition with the theme of "Japan."

The class of "79" also held it's annual skating parties, sold popcorn canisters and performed various other deeds to raise money for the prom.

The juniors received their class rings in November and spent much of that month turning and locking them.

As their senior year approaches, the juniors look forward to next year, their senior trip and graduation.

Top Row (l-r)- Mr. Gollnick- advisor, Mike DiSanto- treasurer, Mrs. Williamson- advisor. Bottom Row- Bruce Fredricks- vice-president, Eloise VanSciver- secretary, Mark Giangulio- president.

The Sophomore Class of "80" had a successful year with their money-making projects. Several of their projects were the memo board sale, flower sales and the annual Sophomore carwash. The class held B.T.H.S.'s first Freshmen-Sophomore Cotillion, which was a tremendous success. The Sophomores also won their first pep rally this year in which they showed their school spirit. The Soph float showed much originality and creativity. Their hard work and good money-making projects will greatly benefit next years prom.

Class Of 1981

(l-r) Mr. McMonagle, Sherry Halcomb, Mrs. Moss, Billy Thorne, Joslyn Burset, Tom Marinelli.

The Freshman Class of '81 ushered in our first year of activities, fun and plain, hard work at B.T.H.S.

Our freshman year brought us much excitement throughout "Spirit Week", - Homecoming festivities - and a period of adjustment to a completely new way of school life.

We leave behind the excited but somewhat frightened joy as freshmen, somewhat saddened by the realization that we are viewing it all for the last time.

Football - We're

The 1977 Varsity Football Squad had another stunning season — along with many team and individual triumphs. The Falcons earned a ten wins, no loss record for 1977 and brought their two-year total to twenty wins, no losses — a new record in their division.

The season's opener was played with the Fal's nemesis, Palmyra. The Falcons rose to the occasion with a 35-14 win.

Many wondered whether the squad, consisting mainly of seniors, could once again have an undefeated season. But the Fals left this question answered definitively as they claimed the Freedom Division Title and once more claimed the South Jersey Group I Title by trouncing undefeated Hammonton 45-8.

The 1977 cross country team finished with a 4-4 record despite its being a rebuilding year. With only two returning lettermen, Waymon Ransom and Alex Punchello, the team consisted mostly of sophomores. Bob Craft and Jim Hoefle received medals in the South Jersey Sophomore Meet. Bob Craft and Charles Freeman placed third and eleventh, respectively, in the Burlington County Sophomore Meet. Rounding out the team were Kevin Sackville, Mark Giangiulio, and Rick Marinelli. Coach Herb Lorenz looks for his team to be a contender for the Freedom Division Title next year.

The 1977 hockey team enjoyed both a delightful new coach and season. Although their record did not prove their accomplishments, this was considered to be a fun year by all. Mrs. Winters considers here new position as both a wedding and graduation present. She graduated in June from Douglass College, with a major in physical education, and was married soon after.

The B.T. booters put together a good season this year with a record of 5-8-1. The Falcons had a very young squad this year, being led by only four seniors. These included Neil Monahan, Jim Pallett, Skeeter Rawls, and Bob Shook. One of the highlights of this past season was their victory over Burlington City by a score of 2-0. Congratulations go to the soccer team for a commendable season.

Talk about the best, this year's Freedom Division Champions are the ones talk about!

The five starters; Cliff Clement, Al Gognigni, Brian Wariick, Greg Howard, and Eddie Gakeler did the best job ever for the Falcons. With help of Rich Farrell, Bill Frake, Mickey Roche and the rest of the squad, the Falcons advanced to the NJSIAA Semi-finals by defeating Manchester and Wildwood.

In front of a sell-out crowd, Township lost to Middle Township 52-54. Luck was not with the Fals as Brian Warrick missed a lay-up in the final seconds of the game. With that play, all hopes of winning the South Jersey title was gone.

All-in-all, it was a fantastic season.

A special congratulations to Eddie Gakeler for being the Philadelphia Inquire's Players of the Week. With that, Brian Warrick made the Coaches All-County team.

Also, a very special "thanks" to Coaches Ken Faulkner and Dick Ballard for their excellent coaching throughout the season.

Good Luck to Coach Faulkner and the up-coming Falcon Basketball Players.

Girls' Basketball - The

The 1977-78 girls basketball team has undoubtedly made a rapid and steep rise to the top. From a 3-15 record of 3 years ago, the Falcon lasses have posted an unprecedentd 38-5 record over the past two years.

The team this year was packed with experience and tremendous ability. Six of the seven seniors have been playing together since freshmen year, including the five starters. Mary Jo Viselli, All- County point guard, returned with Debbie Walls and Valerie Edmonds at the guard positions. Jane Shinn and Joyce Howell posted the forward positions while Denise Randolph rounded out the first six.

Mrs. Jane O'Donnell took over this year and led the team to an undefeated season of league play. Mrs. Cindy Winter headed the J. V. to a second place title in the Freedom division. The Freshmen also kept up the pace this year with a commendable record under the unquestionable leadership of Mr. George Masters.

Our Varsity wrestlers grappled through another year of starving and hard work, but pulled through to a commendable year. Under the coaching of Mr. Bruce Heller, they ended the season with not only many team victories but individual success as well. At the Christmas tournaments, held at Northern Burlington each year, Bob Shook, Bill Barner and Chris Stratis took third places. Luke Uzupis gained the title of first place at 170 pounds. In District competition, Bob Shook, Bill Barner, and Chris Stratis once again took third while Luke Uzupis held on to first place and moved on to Regional competition.

B.T.H.S. Tennis - The

The 1977 tennis team consisted mostly of Juniors. They worked hard at perfecting their skills, but that is not all there is to tennis. Tennis is a mental game which is built on experience. Skills can be perfected but the victory depends on the players attitude. The first singles player, Jim Pallett, finished the season with a 9-3 record. Jim had three years of singles under his racquet and used his experience to the fullest extent. Members of the team

(Kneeling)-S. Harrison, J. Pallet, C. Freeman, T. Larue, T. Adams, K. Scully. (Standing)-Mr. Coppo-

who played at new positions were: Philip Mesthos, second singles; Senior Jeff MacPhee, third singles: Tom Adams and Denny Schulteis, first doubles; Peter Altavilla and Steve Harrison, second doubles.

Much experience and enjoyment was gained under the coaching of Mr. Ed Coppolino although the final record was not indicative of his efforts.

Merlin Yearbook Staff

Editors - De Jones, Ellie Wade

A special thanks is extended to all who helped in the making of the 1978 Merlin.

As Seniors, we the editors, have gained knowledge of yearbook procedure in previous years. We hope this experience is evident as you enjoy "your book."

In years to come, we hope the Merlin will help many of you recall all the good times that high school brought to us.

As we continue on in hope of fulfilling our dreams, may our Senior Class be remembered by BTHS. After all — we've only just begun.

Band, Majorettes

Under the excellent organization of Mr. Charles Clemens 111, Band President Philip C. Mesthos and the Band Parents Association, the Band held a musical extravaganza with the Kingstown High School Band of Rhode Island. The entire exchange program with Rhode Island was a complete success. This is in addition to the annual Christmas and Spring Concerts which are always of cultural significance to the community.

Upper-classmen

This year's Student Senate achieved much success throughout the school year. Our student representatives contributed much time and effort this year which made 1977's homecoming and spirit week activities fun for all. Student Senate also sponsored several dances, including our homecoming dance, Victory dance, and Christmas celebration.

Once again, the highlight of this year's activities was the student exchange program. Many BT students visited other county schools for a day in hopes of recognizing both our school's advantages and disadvantages.

With the help of Mr. Guidry, the faculty, and Student Senate officers, our student government remains one of our outstanding school organizations.

The Financial Aides' job is to handle all incoming and outgoing money for clubs, classes, etc. Daily bank deposits and check writing take up most of their time. This job was performed by students Terri Cook and Robert Miller.

Money Management

Money management students help the yearbook staff by controlling the business end of a very difficult job. These people are in charge of advertisements and of yearbook sales. The Merlin Staff thanks you very much!

Honor Society

The National Honor Society is an organization consisting of members who show qualities of leadership, character, scholarship and service. Members are chosen by BTHS teachers for this national organization. Some of their activities included a question and answer period with our guidance counselors and teachers. This year the National Honor Society hopes to get more involved as a organized club.

The Key Club of B.T.H.S. continued to serve our school and community this year in numerous ways. Their annual canned food drive proved to be a great success along with many other activities. Key Club contributed a tremendous amount of help to the Tricentennial Committee of Burlington Township throughout the year. One of the highlights was the mayor's ball. We all hope that our Key Club will continue to perform their worthwhile deeds in the future.

AVA

This year the AVA's membership continued to grow. Their services now include laminating articles and pictures, video taping and running errands for the faculty. The students spend a large amount of their time running off dittos for teachers. Their dedication is further displayed by the extra hours put in as they video tape and photograph afterschool events.
